Women into Leadership 2018

Now in its ninth year, the annual Women into Leadership conference has established itself as the key event for all those interested in seeing leadership opportunities for women enhanced. Women into Leadership comes to **Glasgow** on **22nd May 2018** to examine how female leaders, at any grade, can enhance their skills to become the leader they aspire to be.

****Please note that Women into Leadership Scotland is now hosted on the main WiL website.****
